Mom's currently yelling at me for being here.

Bye.

Mom's a cop. Permanently paranoid I'm doing something wrong, that you're stalkers or kidnappers or murderers.

So bye.

This came through

so late

so she's still concerned.

But she was having a panic attack due to an earlier incident yesterday

So... the agreement was I pull out of ML, but get to stay here.

Because shipping characters is apparently "dangerous and stupid"

Late post coming through.

I'm so happy you're not leaving, but that kind of makes no sense? At all?
Well, I suppose not much can be done about it. I'm sorry you have to leave ML.
